AMENDMENT

Honorable Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

S i r :

In response to the office action mailed November 20, 1995,  
Applicants submit the following amendments and remarks.

IN THE CLAIMS

~~1~~ In claim ~~8~~ 3, after "diabetes" insert --or systemic lupus erythematosis--.

In claim ~~2~~ 2, replace "immune mediated disorder" with --diabetes--.

In claim ~~9~~ 9, replace "claim 1" with --claim 3--.

In claim ~~11-14~~ 11, replace "the disorder" with --diabetes--.

In claim 16, delete "said chronic immune mediated disorder" and, after "mellitus", insert --is decreased--.

Please rewrite claim 7 as follows:

8. (amended) The method of claim 3 where said [at least one] immunogen [other than BCG] is one other than a BCG or smallpox immunogen.

Please add the following new claims:

38. A kit for use, prophylactically or therapeutically, to
